

"Development through Participation"

About the :

- We are preparing for our 22nd season of Sycamore Aves Youth Football.
- We are the **only** area youth football and cheerleading organization that **exclusively** serves the parents and children of the Sycamore Community School District.
- Last season we had over 220 Sycamore children participate in youth football and cheerleading.
- We believe in the development of our players through participation in practices and in games.
- We provide **age appropriate** instruction in the basics of the game of football, delivered in a manner that builds our players' self confidence, creates a safe and fun atmosphere, and teaches the important life skills of teamwork, cooperation, and self discipline.
- We are an entirely parent run organization.
- We strive to provide the best possible equipment and facilities for our participants.
- We practice on the Sycamore High School football practice fields.
- We play our home games at the Sycamore Aves Stadium at the Sycamore Junior High School.
- We are a charter member of the Community Youth Football League, one of the **leading competitive youth football organizations in the region.**
- We compete against organizations serving the school districts of Mason, Lakota, Indian Hill, Sharonville, Anderson, Kings, Little Miami, Milford, and Loveland.
